

What We Can Do For You

Provide a wide range of plant species and pot styles that suit your décor;

Personalised service to help you identify your needs;

Competitive rates;

Comprehensive service including setup and delivery, maintenance, replacement and changes as required, at no extra cost;

Regular maintenance including:

- Watering
- Cleaning and removal of old and spent foliage; and
- Replacing plants, if and when required

Benefits Of Indoor Plants

Indoor plants have long been recognised to:

- Improve the amenity of indoor spaces
- Absorb emissions from office equipment, furniture and building surfaces
- Filter dust and dirt from the air
- Increase atmospheric humidity levels
- Assisting in cooling indoor spaces
- Dampen noise
- Reducing stress and improve morale in office workers; and
- Improve workplace productivity, creativity and concentration;

About Us

Capital Indoor Plant Hire is the oldest plant hire company in Canberra with more than 34 years experience. Our Services include:

- Long term monthly plant hire for offices, shops, hotels, restaurants, community facilities and homes;
- Short term plant hire for weddings, parties, conferences, and real estate exhibitions;
- Experience with indoor and outdoor locations and conditions;
- Experience with individual pots through to large permanent planters and indoor gardens;
- Fresh flower arrangements regularly delivered to your door; and
- Friendly efficient service staff.

Meeting Your Needs – Now and in the Future

At Capital Indoor Plant Hire we endeavor to meet your needs.

When we first visit your premises we try to match the plants and pots to your décor and available space. In doing so, the plants will contribute to your environment not work against it.

We also recognise that your needs and tastes may change over time and will work with you to respond to these changes.

So please

- Call us on 6295 0140; or
- Send us an email at info@capitalindoorplanthire.com.au

And let us meet your plant needs, now and in the future
